Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Materials Division

DATE: 22 April 1957

FROM : Special Assistant to AD/RR

SUBJECT: Extension of External Research Project [redacted] 25X1

25X1 [redacted]

Reference: Your Memo to AD/RR, 28 December 1956

1. The AD/RR has given preliminary approval to your requested extension of subject project. The necessary coordination of the proposal is being effected. A memo requesting coordination has been forwarded to the EIC/S (copy attached). 25X1

2. While waiting for EIC subcommittee consideration and formal EIC coordination, it is suggested, in order to expedite processing, that you proceed with the drafting of the complete project outline (as given in [redacted] This draft might best be made by a "cut and paste" job on the present project outline. 25X1

3. In a project extension proposal the "Situation" section is particularly important and should include definitive statements on actual work accomplished and results (reports) received to date on the initial contract. Paragraph 9a. of the outline should be complete as given in reference [redacted]. Paragraph 9b. and 7c. can be left blank in the initial draft. Although FY 57 funds may be available for this project, we are at present planning on using ORR FY 58 funds. 25X1A1A

4. I will be happy to further assist in drafting the project outline as desired and would like to receive a copy of the draft as soon as possible in order to effect final coordination.
